

ELECTRONIC WASTE discounted disposal prices

provided through
a partnership with

Computer Recycling Center
Secure • Responsible

Throughout the month of May, the City has partnered with Computer Recycling Center to provide discounted-cost and no-cost disposal for a variety of electronic items including television sets, computers, and basically anything with a battery or power cord.

Items will be collected at their facility at 528 N. Prince Lane during regular business hours, 10 a.m. - 5 p.m., Monday-Saturday. Items must be transported to the facility. No home pickup option is available.
